How to Plant a Tree

SET TREE IN TUB OF WATER WHILE DIGGING HOLE.

TRIMMING SERVICE

Many of the evergreens and flowering shrubs benefit by an annual shearing or pruning in late June, July or August. Moderate trimming each summer makes for a bushy, compact plant.

Our men will be available for this service during the summer months. Phone or write for rates.

OAK PARK NURSERIES, INC.

SCHEDULE OF BALLING CHARGES (B&B)

If deciduous trees or shrubs that are listed B.R. (bare roots) are wanted B&B, use this table to compute additional costs.

Height		Caliper	
18-24".....	.50	1-1 $\frac{1}{4}$ "	\$ 3.50

DIRECTIONS TO REACH OAK PARK NURSERIES

From west end of Long Island:

From Sunrise Hwy. (Rte. 27) turn south (right) on Phylliss Drive, at large Skyliner Diner sign. Left on Montauk Hwy. at traffic light. Right on S. Country Rd. at traffic light. Two miles on right.

From east end of Long Island:

From Sunrise Hwy. (Rte. 27) turn south (left) to Bellport village. At traffic light in Bellport turn west (right) on South Country Rd. Two miles on left.

OAK PARK NURSERIES, INC.

HOW WE DO BUSINESS and SOME OF THE SERVICES WE OFFER

We try to do business the way YOU like it done,
not just to suit us

Consultation and Making of Plans:

For suggestions and advice by mail or at our office there is no charge. Bring your property measurements and sketches or photos, by appointment, and we'll be glad to help you. Nor is there any charge or obligation for this same service at your home. We charge for landscape plans only when considerable time is required to prepare a property survey and detailed plan, and then the cost of the plan is deducted from your order if you order.

Photographs: If you are interested in a large tree and it's inconvenient for you to visit us, we'll send you a Polaroid picture on short notice.

Prices cancel previous quotations, are subject to prior sale and to change without notice. Prices are F.O.B. nursery. Delivery and planting charges are additional. Unusually heavy specimen plants (marked "xx"), heavier than average plants (marked "x"), and lighter than average plants (marked "lt!"), are priced proportionately.

Terms are cash, excepting established accounts, to which we will gladly extend 30 day terms. Longer terms can be arranged. Ask for our credit plan. Orders entered one season and filled the following season (Spring to Fall or Fall to Spring) must be accompanied by a 25% deposit.

Shipment: We deliver with our own trucks. Delivery beyond local limits is charged for at cost. See delivery schedule.

Planting: We can furnish experienced planting foreman and plantsmen. The cost of this service is more than offset by the satisfaction of knowing that your plants have been given the right start.

Visitors are welcome at any time. You are invited to drive or walk over our several miles of good roads and inspect our collection of plants.

Business Hours: Open six days a week (not Sunday) from 8 A.M. until 5 P.M. and longer during height of shipping seasons. Closed at noon on Saturdays in Summer and Winter.

When it comes to trees,
Come to Oak Park
